General Terms and Conditions applicable to Use of a Web Site.

Privacy Policy

TringMe provides free web-based telephony. We care deeply about online privacy. If you have any questions concerning this privacy policy, please contact us by visiting the "Contact Us" page.

This privacy policy (this "Policy") covers how we treat the personal information that we collect and receive when you register for and use our telecommunication services (our "Services"). This Policy explains the practices that apply to your personal information.

Collection of Your Personal Information

In order to provide our Services, TringMe must collect your personal phone number so we can identify you when you interact with our system, and to route communications from other users to your phone.

We do not reveal your phone number to other TringMe users. The only time we collect your phone number from you is when you enter your phone number on our website.

The phone number at which you receive calls will be verified to ensure that the person providing the phone number is in possession of said phone. Verification of your phone enables other people to call your phone.

We may also collect your email address to send updates, voicemail notification, a newsletter or news regarding the service. We collect your email from you when you enter your email into our website.

Verification of your email allows you to receive voicemail messages from other users attempting to contact you.

As part of the registration process, you may be asked to create a username and password to be associated with your persona for security. We may also collect your name, country, or time zone to enhance security/facilitate Services.

Automatic Tracking

By using our website, we are able to and may track certain non-personally-identifiable information about you and your correspondence with the TringMe site in order to perform internal research on our users' demographics, interests and behavior, as well as to monitor and enforce the terms of the Terms of Service Agreement. This information may include the URL from which you arrived, your clickpath within the TringMe site, the next URL you may visit, what browser you are using and your IP address.

TringMe uses cookies to store visitors' preferences and to record session information, for purposes including ensuring compliance with our terms and policies, to improve the user experience with our services, and to customize Web page and widget content based on browser type and user profile information. You may be able to configure your browser to accept or reject all or some cookies, or notify you when a cookie is set -- each browser is different, so check the "Help" menu of your browser to learn how to change your cookie preferences. Please note that TringMe may allow third party advertisers that are presenting advertisements on some of our pages to set and access their cookies on your computer. Advertisers' use of cookies is subject to their own privacy policies, not the TringMe Privacy Policy.

Your Personal Information will not be shared with third parties except to provide the services you've requested. In order to provide the services you've requested, we carefully choose partners to work with. These partners are technology providers of telecom services, which are an ingredient in TringMe services. These partners are required to protect your information in a manner consistent with this Privacy Policy and do not have any independent right to share your TringMe Information. We may use non-identifying information to better design our services. TringMe works with third party advertiser/cookies who may use information about your visit to the website to provide them with ads.

Sharing and Disclosure of Information TringMe Collects

Except as otherwise described in this privacy statement, we will not disclose personal information to any third party unless we believe that disclosure is necessary: (1) to conform to legal requirements or to respond to a subpoena, search warrant or other legal process received by TringMe, whether or not a response is required by applicable law; (2) to enforce the TringMe Terms of Use Agreement or to protect our rights; or (3) to protect the safety of members of the public and users of the service. TringMe reserves the right to transfer personal information to a successor in interest that acquires rights to that information as a result of the sale of TringMe or substantially all of its assets to that successor in interest. For more information see the "Changes in Our Privacy Policy" section below.

Co-branded and Other Affiliated Sites

Certain information or services offered or provided through this website, from time to time, may be provided on or through other websites operated by or in conjunction with third party providers ("Partners"). Although TringMe will continue to control any personally identifiable information collected about you from one of these sites, such information may be shared by TringMe with that Partner in order to further facilitate the Services to which you register. However, a Partner will not rent, sell, or disclose any of your personally identifiable information to third parties unless you consent to such disclosures and use in advance (for example, you may be asked to opt-in on a particular co-branded site in order to receive information or offers from a Partner, its affiliates or agents).

TeleCommunications

You may use TringMe to receive phone calls which are partly or fully handled via our telecommunications partners. Therefore any information which you may communicate during such phone calls, including any personal information, shall not be deemed private. We cannot guarantee the security of such information, that you disclose or communicate in such phone calls and you do so at your own risk.

Commitment to Security

We are committed to keeping your TringMe information private, and will use that information only for purposes of operating TringMe services and improving them. We have implemented security guidelines to help safeguard the privacy of your TringMe information from unauthorized access or improper use. We have put in place physical, electronic, and managerial procedures to safeguard and secure the information we collect and we will continue to enhance our security procedures as new technology becomes available.

Contact Us

If you have any questions or concerns about the TringMe Privacy Policy or its implementation, please visit the "Contact Us" page.

Changes to this Privacy Policy

Please review this Policy periodically as TringMe may update this Privacy Policy from time to time. If there are significant changes to TringMe's information practices, you will be provided with an online notice.

We are committed to conducting our business in accordance with these principles in order to ensure that the confidentiality of personal information is protected and maintained.
